

Apes or Angels
Cornelius Troost

A fragement – an excerpt from the book

Still, Russia in 2006 ranks with Haiti and Zimbabwe as the places with the worst quality of life in the world!¹⁶ Recovery from such desperate conditions will take several generations of democratic government, but Putin's authoritarianism contributed either directly or indirectly to the contract killing of Anna Politkovskaya, an intrepid journalist who told the world about Putin in her book *Putin's Russia*, leaving the future much in doubt.¹⁷
