

No One Left To Lie To - The Values of the Worst Family
Christopher Hitchens

A decade later, it seems rather quaint

Christopher Hitchens is dead, Hillary is retiring, and we have seen the arrival of two presidents who are certainly Clinton's intellectual inferiors. While they may be moral in matters of the bedroom, their politics seem almost as smarmy as the Clintons'. This year's field of Republican candidates does not seem as tainted by scandal as Clinton, but they are likewise untainted by much promise of talent.

Read this for historical interest, and the beauty of Hitchens' writing.
